30. [REDACTED] CONSTITUENT Barry Wisor, in the office of Representative John Murtha (D., Pa.), called requesting employment information for a constituent. I said I would send him the appropriate material.

31. [REDACTED] LIAISON Called Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence, in response to his question on how the Agency would prefer to handle the the Nedzi Committee (former oversight House committee) materials requested by James McCord, former Agency Security Officer. I asked Mike to please forward his inventory of documents and also asked Mike whether Mr. McCord had been able to obtain these materials from court records. Mike said that Mr. McCord had obtained these materials from court records. Mike said that Mr. McCord had obtained the court proceedings and was only asking for these documents in order to be sure that their holdings were complete.

32. [REDACTED] LIAISON Dick Giza, House Permanent Select Committee on Intelligence staff, called to inform me that the Director and Representative Charles Rose (D., N. Car.), Chairman, Subcommittee on Evaluation, did meet on the morning of 4 May despite Mr. Rose's being tied up in traffic. The meeting took place in the DCI's automobile outside the Capitol building at roughly 9:15 a.m.

✓ 33. [REDACTED] LIAISON Called Pat Long, House Permanent Select Committee on Intelligence staff, to respond to his question regarding whether or not the Agency was preparing procedures implementing Executive Order 12036. Based on my conversation with [REDACTED] OGC, I told Pat that procedures were being prepared in accordance with Executive Order direction on certain areas that impact on U.S. persons such as electronic surveillance, physical search, physical surveillance, covert procurement, assistance to U.S. law enforcement agencies, CIA counterintelligence activities in the U.S., CIA's collection of foreign intelligence in the U.S., and similar items.

Pat told me that the hearing scheduled by the Subcommittee on Oversight, chaired by Representative Les Aspin (D., Wis.), would not take place on 11 May. This was subsequently confirmed by a call from Loch Johnson, of the staff, to [REDACTED] of our office.
